Dear friends,

Further to the communication of August 26th sent by the WKF President, Mr. Espinós, I would like to thank each and every one of you for your support to WKF campaign to include our sport in the Olympic programme. I would like to assure you that our effort continues as karate is ready for the Olympics and it deserves to be a part of it. This, as I mentioned in the past, can happen sooner or later, unfortunately it will be later. There is still an open place in the programme and karate will fight to earn it. Attached are some reports for your information.

Best Regards,

George Yerolimpos
